

Lagaan Option #3 – The Cricket Challenge (DEFINITELY Outside the Box)

Period 5

vs.

Period 6

**I have NO access to equipment
(there is massive potential for
improvisation),**

**BUT if you all agree to choose this option,
I will arrange for the set-up of the field.**

REQUIREMENTS:

- **100% “participation” (although some may choose not to bat)**
- **Time commitment – an international match can last 5 days; we’ll reduce that to 1½-2 hours. That means the match would need to be scheduled after-school in the last week of class or during exams.**
